

## Emergencies

RR Donnelley is committed to the safety of all employees and to maintain open lines of communications in the event of a crisis situation (such as a hurricane, flooding, major snow event or other disasters).

**NEWS RRD** is a voice message bulletin board service we have established to help locations communicate with their employees during emergency or crisis situations that prevent normal business operations and/or communication channels.

The toll free number is **1-866-NEWS-RRD (1-866-639-7773)**.
